RE:

Civil Action No. 1:CV-01-270

Dianna Lynn Harris

v.

Pennsylvania Board of Probation
and Parole, et al

Dear Judge Kane:

I am respectfully requesting an extension of two weeks, to give me additional time to find an attorney to represent me in the above case.

The law firm that was representing me in this case was Mattioni Counselors at Law, Joseph Bouvier was the attorney I was working with on this case. He requested and was granted permission to withdraw as my legal representation.

I called attorney Don Bailey to get him to look at my case to see if he would be able to represent me. Before I could get him the facts of this case I was called out of town on a family emergency.

I returned Monday, June 17, 2002 and received a copy of the order.

I did not mean any disrespect at all in not attending this conference, to your or defendants in this case. I was called out of town to care for a seriously ill family member. I was on Family Medical Leave (FMLA) due to my father's illness and my presence was needed and beneficial to the recovery of my father.

I would greatly appreciate an extension to find an attorney. If Attorney Bailey does not take my case he has offered to help me find an attorney. I need additional time for him to look at my case.

Sincerely,

A handwritten signature in cursive script that reads "Dianna Lynn Harris".
